Dear Chairman Wheeler:

I attended "Bay Area Speaks: A People's Hearing on the Future of the Internet" on Nov. 20, 2014. I would like to share my comments with you in writing:

Please make Internet Title II telecommunications  
law. The private industry should not be ~~allowed~~  
allowed to privatize the Internet at ~~our~~ government's  
hand. Treat it like the asset that if you  
can phase it out that way but it can't be.

Protect the CITIZENS that pay taxes for  
your work. Big Corp doesn't pay taxes the  
same amount or way.
